She had lived in or near Bonne Terre the greater part of her life and in Bonne Terre for three years before her death. On March 11, 1880, she was married to Geo. W. Brand and has lived with him since their marriage. To this union were born ten

Before her marriage to Percy Thomas at Herculaneum some six years ago, she lived with her parents at the place of her birth and at Bonne Terre a few years. She was the mother of three children, two of which are now living. Besides her husband and children, she leaves her parents, Mr. and Mrs. Samuel Morris, of Leadwood, two brothers, Everett and Sam Morris, of Leadwood, and three sisters, Mrs. Stella Aubuchon and Mrs. Lucy Koester of Bonne Terre, and Miss Julia Morris of Leadwood, and a host of friends and relatives to grieve because of the calling of their dear one from this world at her very young age.

During her residence here she formed a large circle of friends who extend their sympathy to the relatives in their hour of sorrow.

Funeral services were conducted from the Catholic Church at 2 p. m. Wednesday, and the remains interred in the Catholic Cemetery, the corpse having arrived here on Tuesday evening.

OUR CANDIDATE COLUMN

James G. Berkeley

In this issue will be found the announcement of James G. Berkeley for the office of Senator from the 26th District in the General Assembly of Missouri. Mr. Berkeley is from Desoto. He was in the city the early part of the week in the interest of his candidacy, and spoke very encouragingly of the outlook. He was born in Kentucky; came to Missouri in early childhood; lived on a farm in Jefferson and St. Francois counties; has been a public school teacher; edited a Democratic paper; held the office of Prosecuting Attorney of his home county, and in 1904 was the nominee of his party for the office of Circuit Judge of the Twenty-first Judicial Circuit. Mr. Berkeley is a pleasing man to meet, and, it would seem, in every way qualified to fill the office with credit to which he aspires. He solicits the support of one and all to the extent that he may receive the nomination and the final election to the office of Senator of the 26th Senatorial District of Mo.
